

AMENDMENTS TO THE DRAWINGS

Please substitute the attached drawing sheets 1 - 81 for those presently of record in the instant application.

REMARKS

Applicant has amended the application, as indicated, to provide a reference to two related applications, and to provide replacement drawings sheets, as required by the Notice Regarding Drawings, mailed May 24, 2005, in the present application. Care has been taken to avoid the introduction of any new subject matter into the application as a result of the foregoing amendments.

Applicant additionally is submitting, in a separate paper, an Information Disclosure Statement, together with form PTO-1449, and copies of any non-US patent references. A Request for Continued Examination and the small entity fee of \$395.00, are also being submitted herewith.

Entry, consideration and acceptance of the foregoing submissions, toward continued consideration of the application, and renewed allowance thereof, are respectfully solicited.

Applicant submits that the Application, now as amended, is in *prima facie* condition for allowance, and as such early favorable action is respectfully requested.

Should anything further be required, a telephone call to the undersigned, at (312) 456-8400, is respectfully solicited.

Respectfully submitted,

Dated: July 13, 2005
